

B.E.A.S.T.©: Elicitation for Law Enforcement

October 7 & 15, 2025 1 Hour Webinar 6-7pm (ET)

FREE

HALLOWEEN EDITION

Deception is rampant—60% of adults lie every 10 minutes and a suspect facing incarceration will lie even more. Without proven elicitation skills, you risk their undeserved release, another victim's suffering, and even your own safety.

"A must attend..." -Maine State Police-

Since 1998, Law-Tech remains a titan in the industry, specializing solely in training to identify truth & deception. Unlike any other on the market, for 27 years, B.E.A.S.T.© remains the only of its kind that teaches both Forensic Statement Analysis (FSA) and Forensic Behavioral Analysis (FBA), in one seminar so attendees learn twice as many tools, in less classroom time. You will learn the proven approach to elicitation while streamlining investigations, and obtaining voluntary, court accepted confessions and reliable information. Afterwards,

you will:

Conduct tactical interviews using non-confrontational techniques

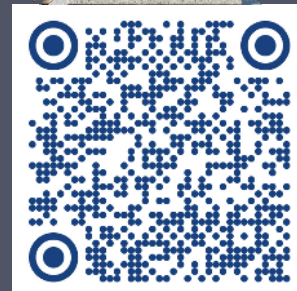

Maneuver the liars playbook using both FSA & FBA

Protect yourself from harmful individuals and situations

Reduce investigative time and more!

ONE CLASS.TWICE THE TOOLS.
